FATHER & SON BANQUET

2ND ST. ALBERT CUB & SCOUTS

The 2nd St. Albert Father & Son Banquet was held last Friday evening and 350

Scouts and Cubs along with their leaders and fathers attended the dinner which was served by the women's auxiliary. Group Chairman Jack Mann gave the Toast to the Queen and a Toast to the Fathers by Queen Scout Tony Harvey.

Guest speakers for the evening were Assistant District Commissioner Dick Fowler and Publicity Chairman Robert Russell. Commissioner Fowler presented

Francis McLaughlin with the coveted Wood Badge and following the presentation, Mr. Fowler treated the boys to a special Eskimo Howl.

Cub Master Eric Page was master of ceremonies for the evening of skits and song put on by each troop and pack. The camp fire closed with Cubmaster Dick Leggett leading the boys in one of the favourite songs of the Group.

WHO IS SHOCKED AND STUNNED ?

Mr. Keith Everitt, Social Credit MLA for our constituency, made a public statement on TV Monday night in regards to the decision of Judge Cormack declaring the October 1964 election invalid. When asked what the people of St. Albert thought about this court decision, Mr. Everitt, visibly impressed, stated, "that they are shocked and stunned". From whom did Mr. Everitt receive this information? On what was it based? What authority does he have in our town to state that our citizens are shocked and stunned? Why is it necessary to make such a vague statement in front of the people of Edmonton and all over Alberta? Was Mr. Everitt himself shocked and stunned when he heard that Judge Cormack made a decision based on the Town and Village Act which is a clear product of his own Social Credit government? How can people be shocked and stunned if the law states clearly that certain rules and regulations have to be followed during an election, and if not followed, such an election can be declared invalid? If a man murders, steals, etc., is Mr. Everitt shocked if the judge gives the penalty according to the law? Respect for the law, and execution of the law does not shock people who live by the law. Certainly not an MLA, who is one of the architects of so many by-laws.

In May, 1962, the New Town of St. Albert received a phone call from the Department of Municipal Affairs informing the town that an Order of Council was issued reverting St. Albert's 'New Town' status to 'Town' status. This was a real shock for the town, because nobody of the Board of Administrators had asked for this, and the shock was even greater when it came out that this same Mr. Keith Everitt had started this whole affair on his own, without consulting any of our local authorities, by reporting to the Minister of Municipal Affairs on what he thought was the best for St. Albert. Yes, indeed, the citizens of St. Albert were really shocked and stunned by this action of Mr. Keith Everitt. We recall his statement to us during those black days, "I would do it again". Mr. Keith Everitt was not shocked and stunned in May, 1962. Nor was he shocked and stunned at the end of 1962 when the clouds were already visible. We have never heard of Mr. Keith Everitt being shocked and stunned at any time during 1963-64-65 when the development and progressive activities in our town have dropped from 400 houses to 50 and less per year. He was not shocked and stunned at all, when our town, under the leadership of Mr. Wm. Veness, (Chairman of the Board of Administrators, had a fantastic growth (fastest in Canada) without lawyers, petitions, insults, law suits, etc., where one was lucky to even get a house. (Compared to a town such as we have now, where people trying to sell their houses lose thousands and thousands of their investments, and where lawyers fees (in 1964 way over \$10,000.), petitions, insults, law suits, are a normal daily or weekly occurrence. And where many workers in the construction field had to be laid off because there was no work. And where many businesses had to close down because they had based their business plans on a normal development in our town, which all went up in smoke. Who was shocked and stunned by such a disgusting situation? Would Mr. Keith Everitt do it again if he had known that these terrible things would have happened to St. Albert? We doubt it very much. All the troubles that we have gone through the last years, including the persons unpleasant situation, are directly or indirectly caused by the black days of May, 1962. Therefore, in our eyes, Mr. Keith Everitt should be the last man to make any remarks on the present situation in our town.

People like Wm. Veness, Lorne Ahino, Lloyd Wheatling, Dr. Cuts, Vince Maloney, Gordon Parkes, who were on the job during this amazing flourishing period in St. Albert, are at present, silent, although not shocked and stunned. Silent because they find it hard to believe that our town could collapse in such a short time.

There is an old saying, "Who sows wind gets storm as harvest".

IN THE AIR

Many of us were quite "surprised" when we heard about the decision of Judge Con-mach. A new unpleasant period for our town faces us. We don't know so we write these remarks, what the decision of the Minister of Municipal Affairs will be. Any opinion now would be a complete guess. We are, just as you, in the air! Unfortunately, both the Mayor and the Deputy Mayor were removed from office, making it quite difficult in regards to pay cheques which must be signed by one of them.

We sincerely hope that by the time you receive this issue, the Minister will have found a solution and issued an Order in Council.

We also hope that the present situation will not become a political issue, as the non-political St. Albert Voters Rights Association (not to be confused with the political St. Albert Voters Association) brought this case before court after everything else had failed, to ensure that the St. Albert citizens would have proper elections in the future.

Above all, let's realize that with respect for each other's opinions, we can march together even during the darkest days.

Annual Meeting

ST. ALBERT PROTESTANT SCHOOL DISTRICT #6

Approximately 150 Protestant School supporters attended last week's annual meeting of their School District. Chairman for this meeting was Mr. Bill Penrose. Mr. Ron Harvey, Chairman of the Board, presented his annual report, mentioning that he was happy to see all the members of the Board at the front table. He stated that the teachers salaries are now the same as in Edmonton and that the Board is now negotiating with the teachers for the 1965 salaries. He mentioned that the Board meets every 1st Thursday of the month for business, and every 3rd Thursday for educational matters. He urged the taxpayers to attend these meet-

ings. The superintendent, Dr. Proudfoot informed the audience during his report that the total students in 1964 were 1,413, with 61 teachers. Of these 61 teachers, there are 15 with 1 year University background, 16 with 2 years, 11 with 3 years, 16 with 4 years, 5 with 5 years, none with 6 years and 2 teachers are on leave at the University.

Mr. Doug Petherbridge asked if the teachers were aware of the policy of the University regarding their eligibility. Mr. Harvey told him that this would be discussed at the next Board meeting.

In regard to the Auditors and Secretary's reports, Mr. George Willis asked about the 10¢ fees from the Friday movies. He wondered in which report this could be found. He was told that this money was deposited in a special Guarantee Trust Account under the supervision of Mr. Har-

voy and the Secretary Treasurer Mr. H. Armstrong. In this way, the movie money is saved out of the normal School Expenditures Account. The meeting was told that each expenditure was authorized by the Board, including an invoice which was not mentioned in the budget, but was approved by the Board before the work was done.

Future plans are the building of two more schools prior to September 1966, plus 7 additional rooms and library for Sir Alexander Mackenzie School and 2 additional rooms for the Leo Hickerson School.

Mr. Miller and Mr. Findlater will become the principal and vice-principal of the George Simpson Junior High School (present Simpson School) and the new Simpson School will have Mr. Frank Carnahan as principal. It will house grades 1, 2, 3 and part of 4.

The meeting recommended to the Board that they consider a policy by which there would be no lower limit to the number of students enrolled in an academic course in the High School. The recommendation urged co-operation with the Public School Board to make this more economical. This recommendation was put in to a motion by Mr. Doug Petherbridge and seconded by Mr. Doug Ray. The motion was carried.

Due to the late hour, there was not much time for new business and the meeting adjourned at 10:50 p.m.

Wheatley - Purin

In an evening ceremony held at Holy Trinity Anglican Church, Edmonton, Miss Barbara Purin and Mr. Richard Wheatley exchanged vows. The bride is the daughter of Mr. & Mrs. O. E. Purin of Edmonton. The groom, the son of Mrs. F. J. Wheatley, also of Edmonton. For her wedding the bride chose a formal gown in white velvet with long sleeves, complimented with a waist length lace man-

tilla. Her flowers, white stephanotis and red rose buds, centered with a white orchid. She was attended by three bride maids in Princess line, cocktail length red velvet gowns. They carried white mum crescent bouquets and matching flower head dresses.

Receiving the guests at the Derricks Club the brides mother wore an ensemble in chocolate brown accented with white lace and complimented with a corsage of talia-

man roses. Mrs. Wheatley, mother of the groom, chose a gold velvet suit. Her corsage was of yellow roses. For the honeymoon, the bride chose a suit of blue double knit and black patent accessories. A white pillbox hat completed the outfit. Mr. & Mrs. Wheatley will reside in St. Albert.

Mr. Wheatley practices law in St. Albert and Mrs. Wheatley is a nurse with the Sturgeon Health Unit.

Open Letter to the Citizens of St. Albert

The undersigned, as realtors in the action to invalidate the October 14, 1964 election, would like to clarify their position to the citizens of St. Albert.

The newspaper publicity and rumours prior to, during and after the trial, inferred that this action was political in nature and directed against the elected administration. We wish to emphasize that this is not the case. The undersigned have no political aspira-

tions or affiliations and undertook this action only to protect the rights of the voters in St. Albert. We also took this action as a last resort after other investigations proved fruitless.

J. A. Whitmore

R. W. Gibbons

Editor,

The St. Albert Voters Rights Association are to be congratulated for the courageous stand they took regarding our 1964 October election.

I am sure there must have been many times that they were strongly criticized and accused by those that were content with the situation as it was. However, throughout the story justice has not always been championed by the majority. With the decision made by Judge Gorman

of the Alberta District Court, the citizens of St. Albert should feel proud that we have the people willing to give their time and energy to help preserve democratic right of every citizen in a free and democratic nation.

CLUB NOTES

The St. Albert women's Institute met Tuesday February 23rd at the home of Mrs. Neil Ross. The roll call provided many suggestions for "Day Tours". It was reported that a pleated flannel skirt was sent to their Unitarian adopted child in France for her forthcoming birthday. The evening's speaker, Mr. McCalla, supervisor of Horticulture for the Provincial Dept. of Agriculture, gave an instructive talk on tree and shrub pruning. The Institute will sponsor a Fashion Show March 19 at 8:30 p.m. in the St. Albert High School. Tickets available from members or at the door.

The Ladies Auxiliary to the 2nd St. Albert Cubs and Scouts will hold their March meeting Tuesday the 7th, at 8:30 p.m. in the library of Sir George Simpson School. The Auxiliary would like to thank all the ladies who donated pies and their time to work at the parish hall for the recent Father & Son Banquet. Some 100 attended the annual affair. Mrs. McLaughlin was presented with the 'wood' badge by Assistant Provincial Commissioner R.G. Fowler. Mr. Fowler was the evening's guest speaker.

The Chi Chapter of the Beta Sigma Phi met Wednesday, February 24th at the home of Mrs. L. Sim, 41 Glenmore Cres. Mrs. J. Irwin gave the evening's program "Speech", during which the members participated in speech and breathing exercises.

NOTE

The Sturgeon Public Health Unit is planning another session of Prenatal Classes which begin the latter part of March. For further details contact the Health Unit at 599-7545.

Whitford - Mirlin

Miss Ann Mirlin, daughter of Dr. & Mrs. W. Mirlin, became the bride of Mr. Rodger Whitford of Edmonton. The nuptial mass was held February 6th in St. Albert Catholic Church. For the ceremony the bride chose a full length gown of white satin. Her Spanish comb and lace mantilla was held in place with a large sweetheart rose. She carried a lace fan floral arrangement with a cascade of sweetheart roses. Bridesmaid Janice Whitford, sister of the groom, wore a cocktail length gown in pastel green satin. Her flowers were a cressent of baby mums and sweetheart roses. A luncheon reception was held at the Bonaventure Motor Hotel. Receiving the guests Mrs. Mirlin chose a 2 piece pink suit, floral hat, and a matching corsage of pinks. Mrs. Whitford, mother of the groom, chose a turquoise 2 piece ensemble and matching accessories. Her corsage was of pink carnations. The couple will reside in Edmonton.

From Our Readers

Sir,

Last week we had occasion to call on one of our Town services. A service which we hope we will never have to call again. Our purpose in writing this letter is to pay tribute and express our appreciation to the men of the St. Albert Fire Department. Minutes after the call was placed the Fire Truck arrived preceded by several volunteer members of the department. One could not have expected a more rapid response from a full time fire service.

The fire under control, several members went about the thorough task of insuring that the fire was completely extinguished. Others went to work to clean up the water and other debris, even to the extent of cleaning up shavings brought down from the roof space. While the Fire Chief was giving us helpful advice on the steps we should now take, on such matters as insurance, we overheard one of his men telling another to get out of a room he had just cleaned. This was said in a tone of good natured humour,

but it was evidence of the serious thorough way in which these men are dedicated to the protection of property. The Fire Chief would not agree, if we were to say that both he and his men performed above and beyond duty, nevertheless they did. Thank you.

STAMPS

NEW STAMP TO MARK INTERNATIONAL CO-OPERATION YEAR

The Hon. René Tremblay, Postmaster General, announced today that a special stamp honouring I.C.Y. - International Co-Operation Year - will be issued today March 3rd.

Mr. Tremblay said that the stamp forms

one part of Canada's contribution to the United Nations' sponsorship of 1965 as a year of international co-operation. Its aim is to foster greater interest in United Nations efforts in the field of international good will, in order to achieve a deeper and wider understanding of the aims, purposes and achievements of the United Nations family of organizations. Canada, as a member of the United Nations Committee for I.C.Y., heartily endorses this aim, and the Year's theme: "Peace and Progress Through Co-operation". Three diagonally interlocked links, with Canada's maple leaf in the centre are featured and symbolize Canada's role as a link in the world-wide chain of nations. The upper right corner shows the I.C.Y. symbol: the United Nations wreath encircling two firmly clasped hands. The words "International Co-operation Year 1965" and "L'Année de la Coopération Internationale 1965" appear at the top and bottom borders. The stamp will be printed by the intaglio process, a method designed to delineate detail and value with utmost precision. Of large size, the stamp will be dark green. The Canadian Bank Note Company executed and printed the stamp.

CANADIAN FLAG STAMP

Details of a commemorative postage stamp depicting Canada's new flag were announced today by the Hon. René Tremblay, Postmaster General. The new stamp is to be placed on sale June 4th to coincide as closely as possible with Canada's national holiday.

The flag stamp will be printed in red and blue and will be of the horizontal large size. The flag, main theme of the stamp, will be in the official colours of red and white and the background will be blue. The only wording to appear on the stamp will be "Canada", in the top right corner, the words "Postes-Postage" along the lower right border and a large five in the lower left corner.

In making the announcement, Mr. Tremblay explained that the Department expected a greater demand for the new stamp than for other commemoratives. As a result, some 10,000,000 stamps are to be printed as compared to the usual 7,000,000. The stamp was designed and is to be printed by the Canadian Bank Note Company Ltd.

ST. ALBERT FIRE DEPARTMENT

During the month of February, the Department answered four calls.

First call was a gas line break leading into the house. No damage or fire resulted. Second was a car fire. The damage in this fire was approximately \$225. This fire presumably started from a cigarette butt.

The third call was of a more serious type which involved a house. Approximate damage in this fire was around \$1,000. This fire started from grease on a stove. Either the grease got overheated, or the pan sprang a leak.

The fourth call was an overheated motor in a furnace.

On summing up last month's fire, it warrants a few fire prevention suggestions. Always be careful with cigarette butts. And to the ladies, when working in a kitchen, keep a close eye on the stove. Make sure that small children are not underfoot by a stove. Whenever grease goes on fire, just place the cover on the pan and turn your stove off. Do not attempt to carry out the pan of grease

when on fire. This could result in getting yourself hurt.

Always feel free to call the Fire Department for advice or when help is needed. The Fire Phone is 599-7777.

This number is for Emergency help only, in case of Fire or if the Pneolator is needed. For any other information pertaining to fire prevention etc, call Fire Hall office 599-7021 or Fire Chief residence 599-6815.

Let's make March a fire free month.

THINKING DAY

The Brownies celebrate the birthday of their founder, Lord Baden-Powell, February 22nd, with 'Thinking Day'. This day brownies all over the world think over their aims, the ideals and hopes of the Guide movement. Most of the brownies packs in St. Albert marked the day with some special event. The 2nd Pack held a candle light ceremony, and the 6th held a birthday party at which Commissioner Mrs. Rossiter presented 16 badges to 16 happy, proud little girls. As birthday presents the brownies brought pennies for the brownies of less fortunate countries around the world. The Annual Thinking Day Tea will be held this Saturday March 6th in the Community Hall from 2 to 5 p.m. A sale of baking, plants, white elephants and a fish pond will be held. This is a lovely way for the mothers to meet the leaders who work with their girls and for all of us to support what is probably the most worthwhile girls organization going.

BATTLE BETWEEN OLD TIMERS!

The Knights of Columbus Old Timers played in Legal on Thursday, February 25. Legal edged St. Albert 6-5. The Legal A.C. Council will come to St. Albert on Wednesday, March 3rd for a return game. For an interesting evening, attend Mission Park rink tonight.

Annual Review

The Highways School of Dancing are busy practicing for their First Annual Review to be held in the St. Albert High School auditorium on Friday, March 12th. Although this is the school's first year the teachers Mrs. Smith and Mrs. Hughes say that all of the children have shown excellent progress and some even excep-

tional.

As well as their own presentations, the school have invited guest performers and the evening should prove to be an enjoyable family affair.

This Friday the school will make a trip to Oliver Hospital where the students and teachers will present some of the show numbers to the patients there!

RECREATION CENTRE

COVERED ARENA AND RECREATION CENTRE PROJECT

The Knights of Columbus of St. Albert have felt that a covered Arena and Recreation Centre have long been needed in St. Albert, so they decided to do something about it.

For the past two months six committees have been formed to investigate all phases of this project. Last Wednesday night at their regular meeting they were given a vote of confidence and were given the green light to spend any monies required to further this cause. They have visited several centres and are now going to meet with architects to try to come up with a concrete proposal.

What is Judo ?

We are very pleased to know that you are showing an interest in the noble sport of Judo. Your interest is matched by that of many others.

You are no doubt aware that this sport is continuing to grow in popularity not only in Japan, the country of its origin but throughout the world. As a matter of fact, in Canada its popularity has grown at a speed greater than many other sports.

Professor Jigoro Kano, a great theorist and famous master of Ju-Jitsu of the various famous Japanese schools, first ennobled the skills of Ju-Jitsu and raised it into the art of Judo. In 1882 he established the Kodokan Judo. You might like to know that the word "Judo" really means "gentle art", taken from the Japanese word "ju" meaning pliant, or as it is sometimes translated, "to conquer by yielding."

As the name implies Judo is a noble sport. There is nothing cruel, painful or dangerous about real Judo. Young and old of both sexes can enjoy it. Unlike the great majority of sports Judo has no set seasons, it can be enjoyed all the year round, no special grounds are necessary and no expensive equipment is required. On grounds of availability to all and inexpensiveness it is probably unique among all sports.

Judo has nothing to do with fistbuffs or mere brute strength - a popular fallacy among the uninitiated. On the con-

trary, it is an education of the mind and body. An education that develops self control, alertness, quickness of reaction, perfection of co-ordination and helps to build a truly noble character. Such things as anxiety, a sense of inferiority and awkwardness soon disappear. It is worth noting that doctors especially recommend Judo for nervous people.

An important and valuable point is of course the fact that Judo is also an art of self defence. As the Kodokan puts it "Judo makes real use of mental and bodily energies and shapes a noble character". By regular participation in Judo a person's ability to co-ordinate mind and body can be fully developed and a very high standard can be reached.

All this is not to say that Judo can be picked up or learnt quickly without effort. Like so many other things in life there is only one way to learn Judo and that is to enter into it in the real spirit, ready to learn all there is to know, and we feel sure that you will, like so many others, become a lifelong Judoka - the term given to one who practices Judo.

Hercules is happy to have an expert Judo instructor, Mr. Jeff Walsh, a resident of St. Albert, who at the moment instructs two classes, one on Saturday from 9 to 11 a.m. for juniors, and one every Monday from 8 to 10 a.m. for the older ones. Everybody in St. Albert & District can join the Hercules Judo Class. Phone the Hercules Secretary, Mr. Ted Jones at 599-6201.

our good. The honey bee is one of the most valuable of man's allies as you will see in this film, but it needs protection. This is a remarkable study of the honey bee and its ways, and is convincing proof the bee needs protection. Mystery in the Kitchen Even where food is plentiful in quantity and variety, people can lack a healthy diet. This film shows in a humorous way that ignorance of simple principles of good nutrition may lead a housewife to "starve" her family despite an abundance of food. Above the Timberline All life is subject to the influence of its environment. This is clearly illustrated in this delightful study of plants and animals which survive in special forms in the less hospitable region of high mountains. How cold, thin soil, prolonged exposure and a short growing season shape the form of living things in this region is readily observed in this film.

SUNDAY CONCERT

On Sunday afternoon, March 7, from 2 to 3 p.m., the Public Library presents another program of stereo music from its record collection. This week Haydn's String Quartets in C major, Op. 74 No. 1 and in G minor, Op. 74 No. 3 will be performed by the Anadeus-Quartett.
